Parksafe - Product Specification Sheet

Dual Band Wi-Fi Low Profile Adhesive Antenna

The Wi-Fi adhesive mount, omni-directional low profile antenna delivers high performance across 2.4GHz and 5GHz Wi-Fi bands from 2400-2483 to 5150-5850MHz and provides a gain of 3dBi

The antenna measures 22x115mm and is supplied with a 3 meter LMR100 low loss cable with RP-SMA male connector

PSANT-WIFI

Key Specification:

Wi-Fi Frequency Range: 2.4GHz, 5GHz
Wi-Fi Gain: 3dB
Cable Length: 3M
Cable Type: LMR100
Colour: Black
Connector: RPSMA Male

Additional Specification:

Weight: 45g
Dimensions: 22 × 0.5 × 11.5 cm
Environment: Vehicle, Harsh, Indoor, Outdoor
Impedance: 50Ohm
Inputs: 1
Operating Temperature: -40℃ to +70℃
Polarization: Vertical
Radiation: Omni Directional
VSWR: ≤1.8
Waterproof Rating: IP67

Date Created:

05/10/2022

Specification Sheet Number:

JAY10010099

Version:

V1.0

Box Dimensions (WxDxH):

N/A

Approvals & Certifications:

Box Contents:

Wi-Fi Antenna, User guide
